The Chief Secretary to the Government
of Mysore, Bangalore.

Sir,

Subject:- Vaccination Establishment.

I have the honour to state that the pay of two vaccinators whose pay was provided in the M.A.T. budget, is being drawn every month by the Staff Surgeon, a military officer and their pay is now charged to the Mysore Government. The Officer on Special Duty was addressed for copies of orders authorising payment from M.A.T. funds and the circumstances under which the Staff Surgeon is allowed to draw the pay. A copy of the reply received from him is enclosed. The reply indicates that as the Vaccinators work under the orders of the Staff Surgeon and their duties are confined to the areas in the exclusive possession of the Military authorities, their pay is drawn by the Staff Surgeon. There is the sanction of the Hon'ble the Resident authorising payment of their salaries.

2. The Staff Surgeon who was also addressed in the matter has replied that a vaccinator and a vaccinatrix are attached to the Staff Surgeon's dispensary for over 50 years and the circumstances or authority under which these posts were created and the reasons for debiting their pay to the M.A.T. funds are not known to him. No relevent correspondence is traceable in his files. A copy of his reply is enclosed.

3. As the vaccinator and the vaccinatrix have been employed exclusively for the benefit of the Military there appears to be no justification for the Mysore Government continuing to meet these charges. The question of the correctness of the Mysore Government continuing to pay the salaries requires examination and Government may if necessary address the Military authorities regarding the continuance or otherwise of the payment of their salaries from the Mysore Revenues.

4. At present the vaccinating staff is not under the control of any Mysore Government Officer.

1. Copy of letter No.D.892/48 dated 18th May,48 from the Officer on Special Duty, (Mysore Residency), Bangalore to the Treasury Officer, Civil Station, Bangalore.

PAY OF VACCINATION ESTABLISHMENT.

With reference to your letter No.R.T.1.Gen1.146 dated 10th May, 1948, I have the honour to forward a copy of the Proceedings of the Hon'ble the Resident in Mysore, No.6347, dated the 11th August, 1923, from which it will be seen that the pay of the Vaccinators is debited to the Mysore Assigned Tract Revenues.

2. I also enclose an extract of paragraph 2 of letter from the Secretary to the Resident in Mysore to the late Pay and Accounts Officer, Bangalore, No.3748/315-1907 dated the 26th April, 1926 explaining why the pay of these Vaccinators is drawn by the Staff Surgeon.

Subject:- Dispensary Staff - Vaccinators.
Ref:- Your letter No.R.T.1.Genl.97 dated 9-6-48.

The two posts for vaccinators attached to the Staff Surgeon's Dispensary, Bangalore were created by the Government of India over 50 years ago.

The present incumbents have been in employ for 13 years (Vaccinator) and 25 years (vaccinatrix). Their salaries were met from the Bangalore budget.

The circumstances and authority under which these posts were created are not known to this office and no relevant correspondence is traceable in the files held by me.

Enquiry may please be made from the Residency Office, Bangalore.

69). The vaccinator and the vaccinatrix attached to the Staff Surgeon's Dispensary, Bangalore, were definitely regular M.A.T.employees, just like any other medical personnel of the former M.A.T.Administration. Their posts were sanctioned and continued by the M.A.T.Civil Administration and their pay and allowances and leave and pensionary liability were a charge on M.A.T.revenues.

70). The posts were sanctioned for vaccinating civilian personnel living in military areas, and they have been in existence for a very long time. Since the duties of the vaccinators were confined to military areas, they were, for administrative convenience, attached to the Staff Surgeon's Dispensary and placed under his control.

71). Mr.G.T.Boag, who was appointed some years ago to review and reduce the expenditure of the M.A.T.Administration, recommended, in his report, that since vaccination was the responsibility of the Municipal Commission and the Military, the cost of these two posts should be met either by the Military or by the Municipal Commission. The matter was accordingly referred by the Resident to the Military Authorities and the Municipal Commission; but both of them declined to meet the charges -- the Military on the ground that the staff was employed for vaccinating civilian personnel and the Municipal Commission on the ground that the staff in question was employed in areas in the exclusive possession of the Military Authorities over which the Commission had no control. After protracted correspondence, the Resident decided to abolish the posts and informed the Military Authorities and the Municipal Commission that they should between them make arrangements for vaccinating all personnel, whether Military or Civilian and that no class of persons should be left out. The G.O.C.

Serial No.

Madras District, then informed the Resident that this involved an amendment to the Army Regulations in force on the subject and that he had, therefore, referred the case to Army Headquarters. The matter was, however, not pursued and the proposal was allowed to drop, with the result that the posts were continued and charged to M.A.T. Administration until Retrocession.

72). Soon after Retrocession, the Treasury Officer, Bangalore, questioned the propriety of M.A.T.Administration meeting the pay of the personnel concerned and the posts were ultimately abolished by the Mysore Government.

73). Since the personnel concerned were regular M.A.T. Government Servants, they are entitled to the same retrenchment concessions as are admissible to other M.A.T. personnel whose posts were abolished as a result of Retrocession, and the Mysore Government have to bear the charges of such concessions in accordance with the terms of the agreement relating to the disposal of the M.A.T. staff. The Deputy Commissioner, Bangalore District(Urban), may accordingly be requested to examine and report the concessions admissible to the personnel concerned by way of leave salary, retrenchment gratuity, pension etc.

87) In pursuance of G.O. No.3570-71/C.B. 217-48-1 dated 25-11-48 the staff of the Mysore Assigned Tract were absorbed into service under the Government of Mysore and such of those who did not elect to continue their service in the Mysore Government were allowed to retire under retrenchment terms laid down bythe late Crown Representative to the Civil Station staff. But in the case of the above vaccinator and vaccinatrix, their services were continued beyond 1-12-48 allowing them to draw old rate of pay and Mysore rate of Dearness Allowance up to the end of 15-5-49. Further, in the statement from the Deputy Commissioner, they are allowed the Central Pay Commission benefits from 1-12-48 to the end of 15-5-49. Special sanction of Government is necessary for their continuance beyond 1-12-48 and for allowing them the benefits of the Central Pay Commission with increment accrued from 1-1-49.

88) In the case of the vaccinator Sri B.V.Madurai Chetty, Deputy Commissioner has allowed full pay as leave allowances from 16-5-49 to 15-9-49 which is not in order. As the official was governed by the New Leave Rules 1933 promulgated in Government of India Notification No.F.12-(2) R.I.132 dated 14-12-33 and No.F(57) R.I.34 dated 26-10-34, pay equal to average pay (average monthly pay earned during the 36 complete months' preceding the month in which he goes on leave) or average subtantive pay for the previous 12 months whichever is greater, is admissible as leave allowances. Accordingly, his leave salary from 16-5-49 to 15-9-49 at Rs.44-5-0 per mensem works out to Rs.177-4-0 as against Rs.180/- claimed in the statement.

Sir,

Ref:- Vaccination Establishment - Staff Surgeon's Dispensary, Civil Station, Bangalore.

With reference to your letters No.8304/C.B. dated 11-4-1949 and 8434/CB dated 19-4-1949 on the above subject I have the honour to enclose herewith a copy of the Staff Surgeon's letter dated 19-4-1949 and to state that the Staff Surgeon has given a month's notice to both these officials with effect from 16-4-1949. The Staff Surgeon contends that the termination of the services of the two permanent officials (who are entitled to pension rights under the existing rules) with a month's notice is rather too drastic and requests that retrenchment concessions may be extended to these officials as in the case of other M.A.T. officials.

The request appears to be reasonable and so I request that sanction of Government may be obtained to extend the retrenchment concession to these officials with effect from 16-5-1949.

The vaccinatrix J. Josephine attains the age of superannuation on 8th November 1960 and the vaccinator Sri B.V. Madurai Chetty on 7-1-1966. The Staff Surgeon has been requested to intimate whether they are willing to serve this Government. In case they are not willing to serve this Government, orders of Government may kindly be obtained for retrenchment concessions and communicated to me.

Yours faithfully,

With reference to your letter No.C.S.T.1.Gen 657 dated 14th April 1949 forwarding copy of letter No.8304/CB dated 11th April 1949 from the Chief Secretary to the Government of His Highness the Maharaja of Mysore terminating the services of the vaccine establishment after a month's notice, I have the honour to state as follows:

As their terms of service entailed pension rights etc., under existing rules it is felt that the sudden termination of their services of two permanent officials with a month's notice and no mention of pension etc., is rather drastic. Under these circumstances I request you to give them the benefit of retrenchment concessions to which I feel they are entitled which was granted to other M.A.T. officials.

It is pointed out that Mr. K. Durgiah who retired from here 1-4-1937 was granted a pension for his service from 1-10-1912 to 31-3-1937.

In accordance with your letter both the Vaccinator and vaccinatrix have been served with one month's notice with effect from 16-4-1949.

I enclose their service registers and request that the maximum leave eligible under the retrenchment rules may be granted to them in addition to other concessions such as gratuity pension etc.

3. The name and address to which the message is to be sent should be written in English in large block letters measuring at least a quarter of an inch in height and wholly within the panel provided.

4. A miniature photographic negative of the message and the address will be made at Bombay or Calcutta and sent therefrom throughout by air to destination where a photographic print, measuring about 5 inches by 4 inches, will be made and delivered to the addressee enclosed in a cover. It is, therefore, important that the message should be written clearly. Very small writing is quite unsuitable.

5. To obtain best results, it is advisable to write airgraphs in black ink. The use of pencil is not recommended, but if it is at all used, it must be a very soft pencil. A typewriter may be used, except for the address. The message may be written in any language as long as it is clear. The whole message should be in one medium only, whether ink, pencil or typewriter, but the address should always be in large English block letters and should never be typewritten. Communication in code is not permitted, except by authorised approved Banks which are permitted to use private authenticating cypher expressions as in telegrams or by the Field Controller and other Controllers of Military Accounts to Military Formations in the United Kingdom. It is not permissible to affix photographs, snapshots, artistic pictures, etc., on airgraphs; but manuscript drawings or sketches in ink or pencil, if harmless, are not prohibited.

6. If it is desired to send more than one airgraph, the name and address of the sender and of the addressee must be inserted on each such form and all the forms must be pinned together from inside.

7. The completed form should preferably be handed in at any post office or forwarded direct in a cover addressed to "Airgraph Section, General Post Office, Calcutta," if posted in Bengal, Assam, Bihar or Orissa, and to "Airgraph Section, General Post Office, Bombay," if posted in any other part of India. In the case of direct posting, a large size cover, which should not be less than 8 3/4 inches long, should be used. The form should be folded parallel to the printed instructions only and not more than twice. The outer cover addressed as indicated is not required to be stamped.

8. Airgraphs sent by members of His Majesty's Forces should be franked by the Officer Commanding or some other responsible officer of the unit who should also state his rank and designation in the space provided for the purpose on the form.

9. The original airgraphs will be retained by the Post Office and eventually destroyed.

Under instructions contained in your letter No.C.S.T.-1-Genl-657 of 14-4-49 (letter Copy No.1) the Vaccinator and Vaccinatrix were served with one month's notice and from the Staff Surgeon (letter copy No.2) was addressed to you.

2. The Chief Secretary to the Government of Mysore to whom the case was referred in your letter No.CST-I-Genl of 26-4-49 (letter copy No.3) replied requesting whether these employees were willing to serve on as M.A.T. Officials.

3. On their being unwilling to do so your reply No.CST-I-Genl.715 of 12-5-49 (letter copy No.4) - questions their rights to concessions as granted to other M.A.T. officials. In reply to your letter the following are pointed out:-

a. the posts of Vaccinator and Vaccinatrix were first created many years ago. The present Vaccinatrix and Vaccinator were employed by the Central Govt. w.e.f. 1-9-23 and 1-4-37 respectively, but no letters of authority or original posting are now traceable. (Please refer correspondence of Staff Surgeon and Treasury Officeer, Bangalore - letter copies No. 5, 6, 7 and 8.

b. These employees have been employed in a Military Area but not exclusively for Military personnel as Civil personnel of Central Government Services are also attended to here.

4. It is not understood here who is to meet the cost of pension etc. These two members were first employed as Central Government Servants and after Retrocession paid through M.A.T. If they are not an M.A.T. charge it is not understood how their services were terminated without the matter first being referred to the Central Government. It is therefore requested that the case be referred by you to Pension Authorities or State Ministry as suggested through the Government of Mysore as the postings, pay, leave etc. of these employees were never a Military responsibility.

Sub: Vaccination Establishment - Staff Surgeon's Dispensary - Civil Station, Bangalore.

With reference to correspondence ending with letter No.141/D.M.S.3/1132-M/D-9 dated 9.3.1949, I am directed to state that the Vaccinator and the Vaccinatric belonging to the above establishment were served with one month's notice with effect from 16.4.1949 before terminating their services and that they were asked to intimate whether they were willing to serve under this Government elsewhere. The Staff Surgeon has intimated that they are not willing to continue in service and has recommended that the staff be granted retrenchment concessions. Copies of two letter dated 19.4.1949 and 23.5.1949 from the Staff Surgeon bearing on the matter are enclosed for reference.

As has been made clear in this office letter No.295/C.B. dated 20th/21st July 1948, the facts and circumstances under which these posts were created and continued cannot be ascertained, and it is felt that the retrenchment concessions, if sanctioned, would not be a proper charge on the revenues of this Government.

In the circumstances, I am to request the Concurrence of the Government of India to the above view.

Yours faithfully,

Sub: Vaccination Establishment - Staff Surgeon's Dispensary, Bangalore.

--

Under instructions contained in your letter No.C.S.T.1-Genl-657 of 14.4.49 (letter copy No.1) the vaccinator and vaccinatrix were served with one month's notice and from the Staff Surgeon (letter copy No.2) was addressed to you.

The Chief Secretary to the Government of Mysore to whom the case was referred in your letter No.CST-i-Genl of 26-4-49 (letter copy No.3) replied requesting whether these employees were willing to serve on as M.A.T. Officials.

On their being unwilling to do so your reply No.CST-1-Genl. 715 of 12-5-49 (letter copy No.4) - questions their rights to concessions as granted to other M.A.T. officials. In reply to your letter the following are pointed out:

a) the posts of Vaccinator and Vaccinatrix were first created many years ago. The present Vaccinatrix and Vaccinator were employed by the Ce ntral Govt. w.e.f. 1-9-23 and 1-4-37 respectively, but no letters of authority of original posting are now traceable. (Please refer correspondence of Staff Surgeon and Treasury Officer, Bangalore - letter copies No. 5, 6, 7 and 8;

b) these employees have been employed in a Military Area but not exclusively for Military personnel as Civil personnel of Central Government Services are also attended to here.

It is not understood here who is to meet the cost of pension etc. These two members were first employed as Central Govemmment Servants and after Retrocession paid through M.A.T. If they are not an M.A.T. charge it is not understood how their services were terminated without the matter first being referred to the Central Government. It is therefore requested that the case be referred by you to Pension Authorities or State Ministry as suggested through the Government of Mysore as the postings, pay, leave etc. of these employees were never a Military responsibility.

With reference to your letter No.C.S.T.1.Gen 657 dated 14th April 1949 forwarding copy of letter No.8304/CB dated 11th April 1949 from the Chief Secretary to the Government of His Highness the Maharaja of Mysore terminating the services of the vaccine establishment after a month's notice, I have the honour to state as follows:

As their terms of service entailed pension rights etc., under existing ~~xxxx~~ rules it is felt that the sudden termination of their services of two permanent officials with a month's notice and no mention of pension etc., is rather drastic. Under these circumstances I request you to give them the benefit of retrenchment concessions to which I feel they are entitled which was granted to ~~xxxxx~~ other M.A.T. officials.

It is pointed out that Mr. K. Durgiah who retired from here 1.4.1937 was granted a pension for his service from 1.10.1912 to 31.3.1937.

In accordance with your letter both the Vaccinator and Vaccinatrix have been servied with one month's notice with effect from 16.4.1949.

I enclose their service registers and request that the maximum leave eligible under the retrenchment rules may be granted to them in addition to other concessions such as gratuity pension etc.

Sir,

SUBJECT: VACCINATION ESTABLISHMENT - STAFF SURGEON'S DISPENSARY, CIVIL ST., B'LORE.

With reference to the order of the Government of Mysore contained in their letter No.744/C.B. dated 19th July 1949 communicated to us through the Staff Surgeon, Bangalore, we beg to submit the following representation for the kind consideration of the Government of Mysore.

The Vaccinator and Vaccinatrix attached to the Staff Surgeon's Dispensary were M.A.T. Civil Government Servants whose pay was being met from the M.A.T. budget under "MEDICAL" and provision for their pay and allowances used to be provided by the Residency Surgeon in the M.A.T. Medical budget. They are in every respect regular M.A.T. Government servants and are entitled to the same concession as are applicable to other M.A.T. servants.

M.A.T. Government servants who were retrenched from service as a result of retrocession have been granted pension and other retrenchment concessions by the Government of Mysore under the terms agreed upon between them and the Government of India and we submit that this concessions should be granted to us also.

We therefore request that the Government of Mysore may be pleased to grant us pension, retrenchment gratuify leave and all other concession admissible to us under the retrocession conditions.

As we have been put to considerable loss and inconvenience on account of the termination of our posts, we would be much grateful if the Government of Mysore would kindly issue necessary orders on this representation and instruct the concerned authorities (Superintendent, Bowring and Lady Curzon Hospitals and the Deputy Commissioner, Bangalore Dist (Urban) to settle our claims at a very early date.

With reference to your letter No.1661/C.B. dated 25-8-1949, on the above subject asking me to examine the matter afresh and report whether the two vaccinators are, or not part of the M.A.T. staff, I have the honour to state as follows.

I have reported to Government that the Staff Surgeon has not been able to show clearly the facts and circumstances under which these posts were created and continued. It is however seen that the pay of the two vaccinators was being provided in the M.A.T. Budget and was being drawn every month by the Staff Surgeon, Bangalore, a Military Officer, and charged to M.A.T. Revenues. This was being done in accordance with the Proceedings No.6347 dated 11-8-1923 of the Resident in Mysore. Apart from the fact that the salary of these officers was being paid from M.A.T. funds there is nothing else to show that they were M.A.T. employees but they continued to work under the Military. All other particulars which I could collect from the Staff Surgeon, have been furnished to Government already.

Dated, Bangalore the 24th July 1950.

Miss Josephine (Vaccinatrix) and Sri Madhurai Chetty, (Vaccinator) were included in the establishment of the Staff Surgeon's Dispensary, Civil Station, Bangalore and their pay etc., were being met out of the Mysore Assigned Tract revenues. Their services were continued beyond 1st December 1948 till 15th May '49 when their services were terminated, as they were unwilling to serve under the Government of Mysore. During this period, they have also been allowed the benefits of the pay scales of the Central Pay Commission with increments which accrued from 1/1/1949.

Sanction is accorded as a special case to the continuance of their services beyond 1st December 1948 to the end of 15th May '49, and, to allowing them the benefit of the Central Pay Commission pay scales with increments which accrued from 1st January 1949. They have also been extended the retrenchment concessions as follows as verified by Accountant-General.
